# **PREFERRED**<sup>™</sup> SERIES

**AIR CONDITIONERS** 

Complete Comfort and Energy Savings, Plus Exceptional Service From Your Bryant® Dealer

# **Home Comfort Components**

SEER (Seasonal Energy Efficiency Ratio) is a measure of how efficiently your air conditioner uses electricity to provide cooling.

#### 1 ENVIRONMENTALLY SOUND, EXTRA-EFFICIENT

Our two-stage scroll compressor (model 127A) increases efficiency by operating nearly continuously on low stage. All of our compressors are designed for use with environmentally sound Puron® refrigerant.

#### 2 RELIABLE PERFORMANCE

Bryant's Microtube™ technology refrigeration system maximizes heat transfer needed for efficient air conditioner operation. Coil materials and design minimize chances for rust and corrosion for lasting performance.

#### 3 QUIET OPERATION

Smooth-running scroll compressor features naturally quiet operation and includes built-in protective features so you can enjoy your comfort for years. Our two-stage version (model 127A) runs on low stage for longer periods of time to further reduce sound.

#### **4** BUILT TO LAST

The Bryant DuraGuard™ protection package ensures lasting durability and good looks through years of exposure to weather, sports and lawn equipment and more. Three key elements to this package include: galvanized steel cabinet, baked-on powder paint and louvered coil guard.

#### **TWO-STAGE OPERATION**

Bryant® Preferred™ Series air conditioners with two-stage capabilities (model 127A) offer a number of benefits due to this technology. You'll enjoy reduced energy consumption, more consistent indoor temperatures, quieter operation, and better humidity management.

#### PERFECT HUMIDITY® TECHNOLOGY

Perfect Humidity® technology ensures optimal summertime cooling dehumidification when system components include a humidity-sensing control, two-stage air conditioner and a properly matched fan coil or furnace inside.

#### MINIMUM REGIONAL EFFICIENCY STANDARDS FOR AIR CONDITIONERS

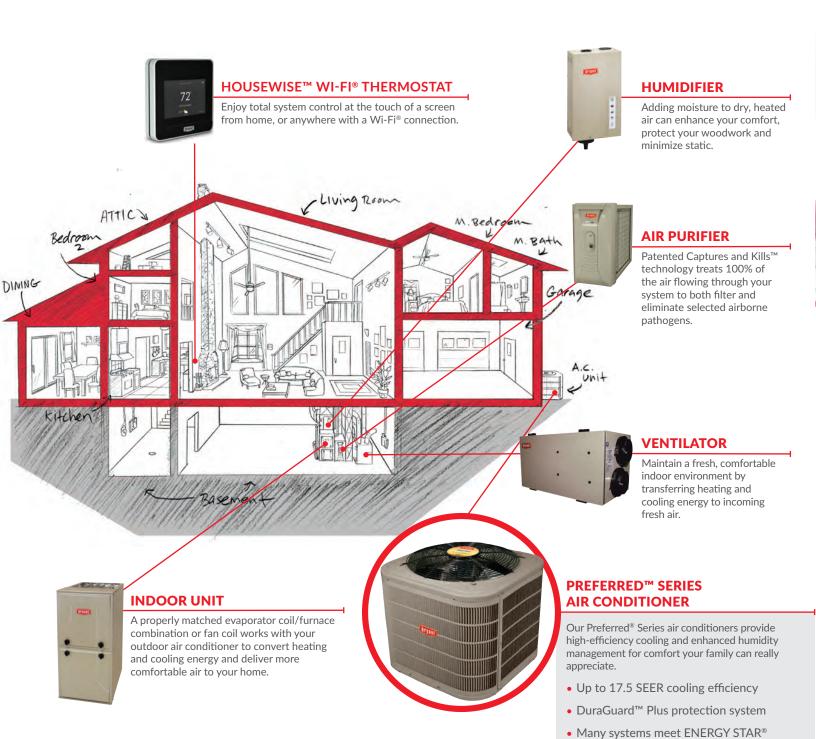

Minimum efficiency standards for split system ACs, packaged ACs and packaged gas/electric are regionalized. These standards divide the country into three regions: North, Southeast and Southwest.

Split System and Packaged Air Conditioners – Regional Standards			
System Type	North Region	Southeast Region	Southwest Region
Split System ACs	13 SEER	14 SEER	14 SEER / 12.2 EER < 45,000 Btuh 14 SEER / 11.7 EER ≥ 45,000 Btuh
Packaged ACs	14 SEER	14 SEER	14 SEER / 11 EER
Packaged Gas/Electric	14 SEER / 81% AFUE	14 SEER / 81% AFUE	14 SEER / 11 EER / 81% AFUE

# The Preferred™ Series Story

Heating and cooling systems can be complicated, but with Preferred™ Series products working together throughout your home, being comfortable is a breeze. Starting with your Preferred Series air conditioner and indoor unit, add a programmable Wi-Fi® thermostat. Complete the system with products that filter and purify the air, provide ventilation, control humidity and more. They all work as a single entity to deliver whole-home comfort to you and your family. Your Bryant dealer can recommend the appropriate products for your particular home and region of the country.

# **Indoor Air Quality**

The air inside your home can be five times dirtier than the air outside. Dry heated air, sticky summer humidity, and stale air from today's "tighter" more insulated homes all contribute to your indoor environment. Ask your dealer about a 30-minute air analysis to learn more about the quality of the air in your home.

### **Controls**

Bryant offers a range of solutions for managing your system. Whether you're looking for Wi-Fi® thermostats with energy reporting for the ultimate in connected control, advanced communicating controls, zoning management or more basic thermostats—you'll have the system control you want.

#### Housewise™ Wi-Fi® Thermostat

The Housewise thermostat is part of a new breed of comfort management devices that saved home-owners an average of 20% on their heating and cooling energy costs. With Wi-Fi® capability, you can access your system 24/7 from almost anywhere and view detailed energy reporting from your tablet or web portal. Combine that with custom energy tips and you can make informed decisions about when and how to save even more money.

#### Côr® 7C & 5C Wi-Fi Thermostats

Côr thermostats take your comfort to heart with next-level performance. Our evolving line includes non-Wi-Fi and smart, Wi-Fi capable thermostats that learn how to efficiently manage your comfort and teach you how to optimize your savings. Whether you want to take command of your system or you want your system to take control, there's a Côr thermostat right for your home.

# Top Reasons It Takes Bryant

#### **PASSIONATE SERVICE**

Bryant® dealers do more than just deliver quality products like our Preferred™
Series air conditioners. They also deliver knowledge, experience and Whatever It Takes® to get each job done right, the first time. You and your system will receive the attention to detail and professional service delivered only by Bryant dealers.

#### **EXCEEDING EXPECTATIONS**

With more than 100 years of experience, Bryant offers a full lineup of products designed with whole-home comfort in mind, including our two-stage Preferred™ Series air conditioner with comfort and efficiency enhancing technology. Through innovative design and rigorous testing, our products are built to exceed expectations, backed by Bryant warranty protection.

# CUSTOMIZED COMFORT SOLUTIONS

Heating and cooling solutions are not one size fits all. Our dealers provide solutions based on your specific needs. From financing and rebates to reliable products professionally installed, Bryant provides options that help keep you and your wallet comfortable.

#### **NEW CONVENIENCES**

With a diverse line of products to address almost any need, from hot or cold spots, to improving indoor air quality and programmable thermostats with Wi-Fi® capabilities, convenient comfort can be yours when you choose Bryant.

#### **EFFICIENCY & SAVINGS**

High-efficiency ENERGY STAR® qualified systems can reduce your energy consumption and carbon footprint. By reducing monthly utility bills over the life of your system, you'll see how efficient equipment pays off.

## **Customized Comfort On Three Different Levels**

There is a Bryant® air conditioner for almost any comfort need or budget. Your Bryant® dealer can help you decide which is right for you. For a comfortable balance between enhanced performance and value, choose one of our Preferred™ Series air conditioner models.
